Level 3: Component Diagram .....	4

## C4 Model Diagrams

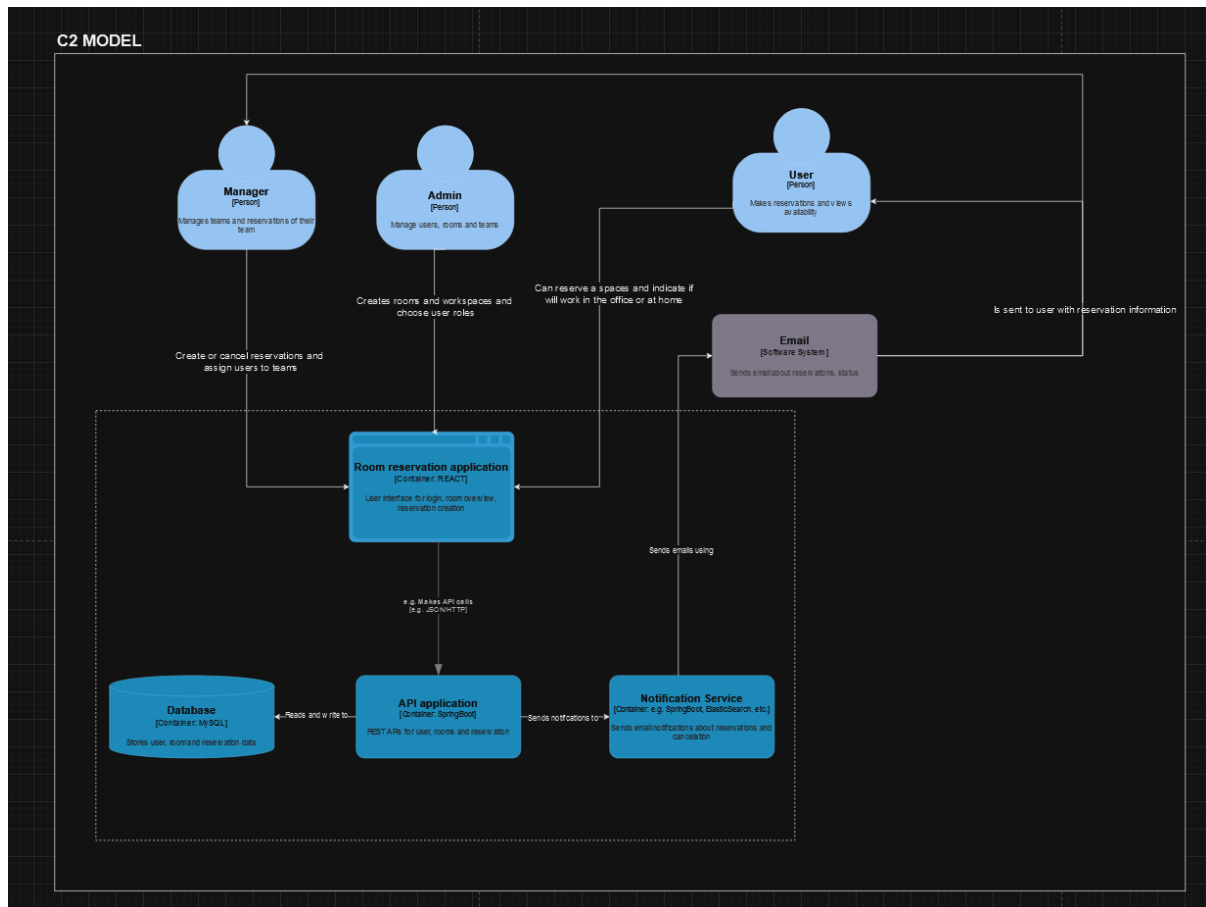

### Level 1: System Context Diagram

A *System Context* diagram provides a starting point, showing how the software system in scope fits into the world around it.

## Level 2: Container Diagram

A Container diagram zooms into the software system in scope, showing the high-level technical building blocks.

## Level 3: Component Diagram

A Component diagram zooms into an individual container, showing the components inside it.
